

*Our Lady of the Lakes Music Ministry Schedule Synopsis
 May 15 through August 29, 2010
 Ascension through 22nd Sunday, Ordinary Time*

Good luck and God bless, Father Jeff!	All of us in the Music Ministry program want to wish Father Jeff all the best as he transitions to his new pastoral assignment. You will be missed!
Welcome Father Brian!	Even though we know him well, it is our pleasure to welcome Father Brian to Our Lady of the Lakes! We look forward to many years of faith-filled celebrations together!
Take note: Liturgy time change!	Please note that during the summer, our Sunday liturgies begin at 9:15 a.m. starting on June 6 and continuing through Labor Day weekend. Please make a note and don't be late!
Summer Inspiration	As if the glories of summertime weren't enough inspiration, as we join our song to that of all creation around us, I want to share these words from Professor Rodica Stoicoiu's article, "Sacramental Real Presence" found in the latest edition of OCP's <i>Today's Liturgy</i> . In this article, in which Professor Stoicoiu tackles such heady topics as "Christ as Sacrament", "Sacramental Transformation" and many others, she had one thought that struck me as appropriate for all of us engaged in music ministry: "The Eucharist is transformative - a charged encounter with a reality that is meant to change who we are and how we live. "It matter [then] that we are fully engaged, that we pray and sing and move and act with our whole being, as one community in thanksgiving before our God." Enjoy the summer!
